The Zone

The Zone Youth Program cautiously moved forward this summer resuming this popular program for area teens. In addition to providing a safe place for much needed socialization, we enjoyed making weekly "themed night" food, utilizing the new outside game equipment, playing friendly, competitive games of pool and the like inside. When inclement weather, participants gathered around our wide screen TV for an occasional movie.

Stories Come Alive

Miss Jackie continues to read virtually each Friday, stimulating the young minds of her audience. Craft kits that go along with the theme of the books we read virtually each month are available for pickup at the Richfield Springs Public Library. If you are interested in ordering Scholastic books through this program our class code is: T94XD.

SOUPer Seniors

Our "older" generation continues to enjoy the opportunity to socialize each Wednesday while enjoying a light, hearty lunch. Afterwards, card games and Mahjong are played. We honor our participants' birthdays with a monthly birthday cake. New "seniors" warmly welcomed!

Announcing our new programs!

Community Night

This program is designed for area families to come together and enjoy games, free food and camaraderie. A special activity is themed. Our premier was on Saturday, September 25. Families enjoyed a farmers' market type atmosphere with local vendors, businesses and area organizations invited to set up booths on the spacious lawn. Various games were available, door prizes were offered—all while enjoying hot dogs hot off the grill, chips and beverages. Be watching our website and Facebook for our Halloween themed event on Saturday, October 30!

Movie Night

We were pleased to have the opportunity to collaborate with the Richfield Springs Public Library for Family Movie Nights throughout July and August. Families were able to enjoy movies on the large screen along with some hot, freshly popped popcorn. We hope the collaboration continues next summer!

2021 Fundraisers

It was a busy summer and it was great to see so many of you at our fundraisers! This was our first year having our Run/Walk in the summer and everyone enjoyed the addition of Ice Cream Sundaes to the event.

Our Falling Footsteps event was a road race this year with the event kicking off and ending at the Community Center. It was wonderful to have so many people enjoying our facility.

Winter is a bit quieter. Due to space restrictions all while taking a more cautious approach, our Holiday Auction and Dinner will not be held this year. Instead, we are honoring our Gold, Silver and Bronze level Zone Club members with an Appreciation Dinner on December 4th. These $100 and above levels of membership traditionally receive complimentary tickets to our Holiday Auction and Dinner as a benefit of their higher level of membership. The dinner will be coupled with our popular (and fun) lively auction!
